Section 121c (5) talks about the reinstatement of previously canceled claim and states "[a] claim which was previously canceled may be reinstated only by adding the claim as a "new" claim with a new claim number. See also § 1.126 which requires the original numbering of the claims must be preserved throughout the prosecution. When claims are canceled the remaining claims must not be renumbered. When claims are added, they must be numbered by the applicant consecutively beginning with the number next following the highest numbered claim previously presented (whether entered or not).
